Hvidovre Skating Club has a solid foundation with more than 200 skaters on all levels. We are a club, focusing on broadness as well as elite, where all skaters are equally welcome and have equal right to be motivated and challenged according to their individual talent and ambitions, no matter level or age. But we are also a club, that wants to develop top skaters when possible. In this context we find it very important to welcome new skaters in a nice manner and to develop and support an informal and inclusive social environment among skaters, parent and trainers.

Vi have very good training facilities, two ice rinks, where one is practically ours, our own skate rental and sharpening, a nice club room with a small café. Every year we host at least two competitions, among them Denmark's most prestigious international competition Skate Copenhagen.

Apart from the organized skating lessons, off ice and ballet, Hvidovre Skating Club offers lots of possibility for the skaters and coaches to organize self practice and have solo lessons.
