

Odense Skating Club is seeking a coach

Are you ambitious and passionate about figure skating? Do you thrive as a coach, especially working with children and youth? Do you possess excellent collaboration and communication skills? Then become a coach at Odense Skating Club.

Odense Skating Club has around 130 members across all levels and ages. The club emphasizes camaraderie and aims to embrace both the breadth and the elite aspects of figure skating. Additionally, there's a focus on developing the club's skaters to ensure continued success in national and international competitions across all levels.

As a coach in this role, you will:

- Plan and conduct on-ice and off-ice training sessions, possibly choreographing new programs with a focus on performance and musical interpretation.
- Participate in and contribute to competitions, social events, and possibly camps.
- Foster a positive atmosphere among all skaters and ensure that skaters, parents, and coaching staff feel comfortable both during and outside of training sessions.
- Collaborate with the club's other coaches regarding the overall sporting development of the club and its skaters.

As a coach at Odense Skating Club, we expect you to have:

- A certified coaching education
- Possibly, experience from one or more similar positions.
- A strong understanding of figure skating technique and a passion for coaching.
- A desire to actively participate in the development of the club, our skaters, and the other coaches, benefiting both the breadth and the elite aspects.
- A sensible and effective approach to working with children and collaborating with parents and the board.
- Pedagogical insight regarding teaching, learning principles, and training.

We offer:

- A reasonable work-life balance.
- Salary commensurate with qualifications.
- Flexible arrangements for remote work when preparing choreography, etc.
- Opportunities for further professional development in coaching.
- An exciting and evolving role with the chance to influence the daily operations of a well-established figure skating association.

Work hours: 37 hours per week or as agreed upon.

Deadline: Interviews will be scheduled on an ongoing basis.

Location: Odense Skating Club, Møllemarksvej 75, 5200 Odense.

Contact person: Chairman Kenneth Sandbye, phone 20135003, email: formand@odense-skoejtekklub.dk, where applications and resumes should be sent. Start date: juli/august 2025.

We look forward to hearing from you.
