

HKF is looking for a figure skating coach

Hørsholm Figure Skating Club, located north of Copenhagen, is very pleased to invite a passionate and experienced Figure Skating Coach to join our dynamic team, as part of an exciting phase of growth for the club.

With approximately 250 members, including 25 solodancers, from beginners to advanced skaters and a club that is actively developing, this is a fantastic opportunity to become a part of an exciting journey as we continue to grow and enhance our offerings.

The Job includes:

- Full-time position: 37 hours/week (less is also a possibility) including preparation which can be done from home.
- On-ice coaching (end july-april), off-ice coaching (august-june), creating choreographies and coaching at competitions.
- Provide technical/artistic coaching and constructive feedback to individual skaters and groups.
- Prepare skaters for competitions and performances, nurturing their skills and confidence.
- Responsible for developing skaters to achieve their full potential.
- Foster a positive, motivating atmosphere within the club.
- Collaborate closely with our existing team of coaches to ensure consistent and high-quality training experiences.
- Communicate positively and effectively with skaters, parents, and club management to foster a strong sense of community.
- Opportunities of coaches' seminars and education related to the job.

Qualifications:

- Proven experience as a figure skating coach, with a solid understanding of both the technical and artistic aspects of the sport.
- Ability to create personalized skating programs for skaters at various skill levels.
- Strong positive communication, teamwork, and interpersonal skills.
- Coaching certification or equivalent experience is preferred.
- Fluency in English or Danish is essential; Danish language skills are a plus but not required.

If you are passionate about figure skating and excited to contribute to the success of a growing club, we would love to hear from you as soon as possible 😊

To Apply:

Please send your resume and any relevant certifications to info@hkfskate.dk and we will contact you for interviews and further steps.
