## Welcome to our figure skating camp at Katrineholm from the 19<sup>th</sup> of June – until the 9<sup>th</sup> of July 2016.

This figure skating camp is divided into to three five-day periods:

- The first period from the 19<sup>th</sup> of June until 23<sup>th</sup> June
- The second period from the 27<sup>th</sup> until the 1<sup>th</sup> of July
- The third period from the 5<sup>th</sup> until the 9<sup>th</sup> of July

If you want to stay at the camp between the periods, please contact us at [summercamp@enkopingskk.se](mailto:summercamp@enkopingskk.se)

We welcome both previous and new skaters to Katrineholm Figure Skating Camp 2016, arranged by Enköping Figure-Skating Club.

We are offering a well combined coach team with several levels of knowledge to match your own level.

All skating sessions will be conducted in Woodyhallen Katrineholm.

Breakfast and evening meal are served at the Olssons accommodation. Lunch and dinner are served at a school close to the ice facility.

**Fitness training** will be conducted outside or in the adjacent sports hall depending on the weather. Dance will be in the sports hall that is approximately only 2 minutes walk from the ice skating hall.

### **Registration**

Registration fee:

500 SEK which needs to be paid into Enköping's KK: s account

**IBAN number: SE868000830550042113001 SWIFT SWEDSESS** by the 30<sup>th</sup> of April.

Please state the skaters name when paying this fee. The registration fee is paid only once regardless of whether the skater skates one, two or three periods. The registration date is considered as the actual day the money enters the receiver's account. The registration fee is non-refundable and is not a part of the Camp Fee. The registration is binding and you will be informed of your acceptance to the camp after the due date for registration has expired. When paying from abroad the sender pays extra fees that might occur.

The skaters are placed in groups according to their own preferences but also in consultation with the trainers and the host club. In order to make the different skating groups as comparable in skills as possible, in regards to ability and standard, we reserve the right to move skaters between the groups, even if it does not meet the skater's initial preference.

### **Camp fee**

Three skating-sessions a day, 4650 SEK per period.

If you participate all three periods you will get a 500 SEK discount the third period.

Please note that the camp fee includes the total cost for the skating sessions, fitness training, accommodation, and all meals (breakfast, lunch, dinner and evening supper)

The camp fee is to be paid into Enköping's KK: s account

**IBAN number: SE868000830550042113001 SWIFT SWEDSESS**, no later than the 25<sup>th</sup> of May. Please note that a skater risks their place on the camp if either the registration fee or the camp fee are not paid in full before the due date.

When paying from abroad the sender pays extra fees that might occur.

### **Dance fee.**

Dance sessions will be held in a nearby location (walking distance from the ice-skating hall). One dance session a day of 45 minutes will be offered at the cost of 350 SEK per five day period.

### **Responsibility and refunds**

The camp is arranged by Enköping Figure Skating Club. The club assumes no responsibility for injuries or loss of property that may occur to any individual skater during the camp. Personal insurances that provides full cover is the responsibility of each participant. The registration fee of 500 SEK is for administration purposes and is not part of the camp fee. The registration fee is only refunded in the event that a skater is not offered a place on the camp.

Registration of a skater is binding however we shall refund the camp fee if a skater is unable to attend for a satisfactory reason, (for example if you or a close relation becomes seriously ill and a doctors certificate can be provided). However, cancellation of a skater's place must be made before the camp commences. The camp fee will also be refunded if, for some reason, the camp needs to be cancelled, for example if there aren't enough participants. If the camp needs to be stopped due to problems with the locations, for example electricity blackouts or other such unpredictable occurrences, the skaters will also be refunded the camp fee. If the camp needs to be cancelled after it has already commenced then skaters will be refunded the remaining amount depending on how many skating/fitness sessions they have participated in. However no part of the camping fee will be refunded if a skater becomes ill after the camp has commenced or for some other reason the skater stops the participation part way through the camp.

### **Important**

Children who are not 9 years of age are not permitted to stay over at the camp. Younger children wishing to participate in the camp will need to find alternative accommodation in Katrineholm with their parents. Please look further for housing information at the end of the presentation.
