

Assistant coach for Frederikshavn Skøjteforening.

Frederikshavn Skating Club is looking for a passionate, committed and responsible part time assistant coach for our club.

FSF is a club full of traditions and have been active since 1964. We have skaters from 3 years old and up. There is room for everyone, both skaters who only skates for fun and skaters who compete in both national and international competitions. The training in our club is based upon the concept from of the national sports federation Age – Related Training Concept (ATK). Which makes it possible to have a holistic oriented view on sport, training and performance and make it fun, motivating and developing for each skater.

We imagine a coach that:

- Is at least 18 years old and love to work with skating, kids and young people.
- Is empathic and focuses on motivation and communication with skaters of all ages and levels.
- Can train skaters of all ages and levels both on and off ice.
- That is responsible, independent and come prepared for coaching.
- May have experience with or would like to choreograph programs.

It is very important for us that all members feel welcome and thrive in our club. It is important that the training is fun, motivating and have room for everybody – no matter the level. We have a head coach, who is in charge of the training, levels and schedules, and we expect you to work together. It is not essential that you have an education as a coach but you have to be willing to accept the offer to get an education through the Danish Sports Association or the Danish Skating Federation.

The working hours can be agreed individually, but in general it will be in the afternoons, early evenings and weekends. We expect of you, that you can go with skaters for competitions or manage the training in the club on your own, if the head coach is away for competition or camp.

We offer a well organized club with good training facilities, amazing members and a great social environment. Salary will be according to qualifications and terms of employment will be agreed in detail at the interview. We are also interested in applicants who may only want to work for a shorter period of time.

If you have more questions please contact Camilla Thomsen on mail fsfnaestformand@gmail.com or phone +4520487652 or send your application to fsfsportsudvalg@gmail.com
