

FIGURE SKATING COACH

Join Odense Skating Club

Are you an ambitious and passionate figure skating coach who enjoys developing young skaters?
Do you thrive in a collaborative environment and have strong communication and interpersonal skills?

Then we would love to hear from you!

About Odense Skating Club

Odense Skating Club (OSK) is a well-established figure skating club with approximately **200+ members across all ages and levels**.

We place great emphasis on creating a strong sense of community while supporting both the **breadth and elite development of figure skating**. Our goal is to provide an environment where every skater can develop their skills and passion for the sport, while also supporting those who aspire to compete at national and international level.

As our club continues to grow, we are looking to strengthen our sporting development and establish a **clear and sustainable pathway towards elite figure skating**. We are therefore looking for a coach who wants to play an active role in shaping the club's future and developing both our skaters and our coaching environment.

The Role

As a coach at Odense Skating Club, you will be responsible for planning and delivering high-quality training and supporting skaters in their sporting and personal development.

A key part of the role will be contributing to the development of a **long-term elite strategy for OSK**. Working together with the coaching team and club leadership, you will help define clear development pathways for ambitious skaters, establish appropriate training structures and performance goals, and identify the steps needed to support skaters progressing towards national and international competition.

Your responsibilities will include:

- **Planning and delivering on-ice and off-ice training** for skaters across different ages and ability levels.
- **Developing skating technique, performance skills, and musical interpretation.**
- Choreographing and developing new programs, where appropriate.
- Supporting and coaching skaters at **competitions, training camps, and club events**.
- Contributing to the development and implementation of a **long-term elite development strategy**, including clear pathways from developing skater to national and international competition.
- Helping establish **training goals, performance benchmarks, and development plans** for competitive and elite skaters.

- Working with the coaching team to create greater **continuity and progression between levels**, ensuring that skaters have the opportunity to develop according to their potential.
- Creating a **positive, inclusive, and motivating training environment** where skaters feel supported and encouraged.
- Building positive relationships with **skaters, parents, coaches, and the club board**.
- Collaborating with the club's coaching team on the **overall sporting development of OSK and its skaters**.

We Are Looking For

We expect you to have:

- **A relevant and recognized coaching qualification.**
- A strong technical understanding of figure skating and a genuine passion for coaching and athlete development.
- Strong English communication skills are required. Danish language skills are highly valued but not essential.
- Experience coaching figure skaters, preferably across a range of ages and ability levels.
- A strong interest in developing both **individual skaters and the club as a whole**.
- An understanding of **long-term athlete development and the demands of competitive and elite figure skating**.
- The ability to think strategically about athlete development and contribute to building a **sustainable elite pathway** within the club.
- A positive and professional approach to working with **children and young people**.
- Good pedagogical understanding of **teaching, learning, and training principles**.
- Strong communication and collaboration skills, including the ability to work constructively with parents, colleagues, and the board.
- The ability to contribute positively to a team and help create a supportive and enjoyable club environment.

What We Offer

At Odense Skating Club, we offer:

- **A competitive salary based on qualifications and experience.**
- A supportive working environment with a strong focus on both **athlete development and well-being**.
- A healthy **work-life balance**.
- Opportunities for **professional development and further coaching education**.
- Flexible arrangements for remote work when preparing choreography, programs, training plans, etc.
- The opportunity to work with skaters at a variety of levels, from recreational skating through to **national and international competition**.
- The opportunity to play a significant role in **shaping OSK's future sporting direction and elite development strategy**.
- An exciting and evolving position where you will have the opportunity to **influence the development and daily sporting life of a well-established figure skating club**.
